

Policy for moving 2020 Adjudicator recommended competitors to the 2021 Provincial Festival:

- This offer is available to competitors at 2020 local festivals who received an adjudicator recommendation to compete in the 2020 Provincial Festival.
- It will only be available to competitors at those festivals that had 2020 events and remit their affiliation fees by the due date of **April 30, 2020**. Signed Adjudicator recommendation sheets must be submitted to the PABC office by the same date. Festivals that had partial events during which 2020 Provincial recommendations were made, must also remit affiliation fees for classes that were held and submit signed Adjudicator recommendation forms.
- Member festivals who were able to hold their event in 2020 are being asked to submit their affiliation fees as usual, as those fees have already been collected from participants in the form of registration fees at your local festival.
- To enter the 2021 festival as a 2020 delegate, competitors will need to contact the local festival from which they were chosen in 2020. They will be entered by that festival with a note indicating that they were the 2020 representative.
- Please keep in mind that age limits will be adhered to for the 2021 festival, so competitors using this option may have to move up a level from the original recommendation.
- It is expected that competitors using this option will perform the one piece recommended by the adjudicator at a 2020 festival. Their 2nd and/or 3rd performance(s) may be their own choice and may be at a higher level.
- PABC strongly encourages all festival competitors to enter a 2021 festival and 2020 delegates are eligible to receive a 2021 nomination. Entering a local festival and not being selected as a 2021 delegate does not affect a competitor's status as a 2020 delegate and his or her eligibility for the 2021 festival. A recommendation as a 2021 delegate would supersede a 2020 selection. However, if a 2021 nominee chooses to attend as a 2020 delegate, then an adjudicator-selected alternate in 2021 may attend Provincials also.
